District Superintendent's Report

Our supportive community takes pride in the progress our schools have made. Much of our success must be attributed to the community and the active role that they and our parents take in our schools. Ninety Six is a special place and we are fortunate to have a close relationship between the schools and the community. We are proud of the accomplishments of our schools, students, and faculty in the Ninety Six School district.

The teachers and administrators work diligently to provide meaningful educational experiences for our students. Our staff continues to provide a quality educational and athletic program for our students, and we have had a very good year in our academic and athletic programs.

Academically, our scores continue to improve. Two out of four of our schools made Adequate Yearly Progress this year, and two of our schools made Excellent on their report card. Ninety Six High School was recognized as a National Blue Ribbon School finalist and received a bronze award from US News and World Report. The Ninety Six High School Band finished second in the state band competition, while the cross country team made the state finals. Our choruses from the primary and elementary schools are always a shining star in the "In the spotlight" program.

We were successful in passing a \$29 million referendum to construct a combination middle/high school complex. We appreciate the confidence the community showed in us in approving this project. The completion of this project will take approximately three years and is in the planning stage at this time.
